WESTCHESTER MURALS

Who We Are

Westchester Murals is a collective of local artists providing mural and design services in the Westchester and Fairfield County areas. Based out of Westchester, NY, we specialize in hand-painted, one-of-a-kind artwork that can be customized to suit a particular space, theme, or message. Our murals are designed to enhance the energy in an empty space and bring life to it.

Our mission

At Westchester Murals, our mission is to enhance the world around us, one mural at a time. We believe that every wall, space, and room has the potential to inspire and engage, and our murals are the key to unlocking that potential. Our goal is to provide vibrant, captivating murals and logos that inspire and engage, while also supporting the growth and development of artists in our community.

Favorite Projects

It is hard to pick a favorite when we actually love what we do, but sometimes the interactions with our clients and team make our projects even more special.
